

REMARKS

Responsive to the Notice of Non-Compliant Amendment mailed November 26, 2007, Applicant has further amended claims 33-35 in addition to the amendments filed October 31, 2007. Applicant submits multiple dependent claims 33-35 were inadvertently not correctly amended in the prior submission. This submission corrects inadvertent reference to cancelled claim 29 in claims 33-35.

In order to cancel reference to cancelled claims 29 as well as 31 and 32, claims 33-35 have been amended herein. A complete copy of the amendments to claims 33-35 and the amendments filed December 5, and October 31, 2007 (amendment of claim 14 and cancellation of claims 17-18, 29, and 31-32) are filed in the present listing of the claims. Entry and consideration of the complete amendments to the claims and listing of the claims is requested.

Applicant requests entry and consideration of the Remarks filed October 31, 2007 with a Request for Continued Examination; entry and consideration of the corrected Second Declaration (executed November 9, 2007) submitted November 12, 2007 in place of the Second Declaration (executed October 26, 2007) submitted with the Response filed October 31, 2007; and entry and consideration of the complete amendments and listing of the claims filed herewith.

This undersigned hereby petitions and requests a two-month extension of time in response to the Notice of Non-Compliance mailed November 27, 2007. The fee payment for a two-month extension of time is being filed herewith. It is believed no additional extensions or fees are due with this submission, however in the event any additional fees or extensions are due, please consider this a petition therefore. Please charge any additional credits or fees due to deposit account no. 50-1582.

If at any time a telephone discussion would assist the Examiner and/or expedite prosecution, the Examiner is invited to contact the undersigned.

Respectfully submitted,
